Tour Itinerary

Your Time of Choosing : Pick Up & Transportation

Tell us your desired pick-up time and location and we will handle the rest. For the Daniel Johnson Sloth Hangout, travel time from the West side of the island can take up to 45 minutes to an hour. This animal park is the most withdrawn from the island center, but this gives us more time to showcase the island's rich culture and history on the way over.

If you are a cruise ship guest, please tell us your ship name and time you would like to be met.

Duration
30 Minutes

Your Choosing : Daniel Johnson's Monkey and Sloth Park

After arrival, we will head up the hill and check you in to the park. Once done, you will head to the guest wait area and talk or socialize with your RAS guide and other guests. Typical wait times range from 5 to 15 minutes.

Once your guide pairs you with a group, you will all head up the hill and start your animal park tour.

You will meet Capuchin Monkeys, Spider Monkeys, Sloths, Macaws and even Toucans.
